## Step by step instructions to login to Clever at home

Clever will give the student access to DreamBox, IXL, Nitro Type, Typing.com, and many other school resources

- 1. Goto <u>www.clever.com</u>
- 2. Click Log in as a student (at the top right)

3. Type Coble Elementary in the School Name field then click on Coble Elementary (If John L Coble is already selected goto 4)

4. Click Login with Google

5. If you see Uh Oh! Just click Log in with a different account

6. Click on Use another account (unless you see your child's account then you can click on it instead)

G Sign in with Google	
Choose an account to continue to devercom	
English (United States) • Help Privacy Terms	

 Type the child's first name then a dot then their entire last name @cobleschool.com . (Example Jane Doe jane.doe@cobleschool.com)

Sign in with Google  Sign in to continue to clever.com  End or prove  LASTMAKE@cobleschool.com  Forgot email?  Create account

10. You should see a list of applications your child uses at school.

- 11. Some of the Apps will log directly in, while others will list the students username and password for the app you are trying to launch.
- 12. If you experience problems please send an email to <u>it@cobleschool.com</u> or contact your students teacher.
